About Ink Gin

Ink Gin is a floral infused craft gin, distilled by hand at Husk Distillery in Tumbulgum, right here in the Northern Rivers. Released in August 2015, Ink Gin is small batch and pot distilled with 13 organic botanicals, including several Australian natives. Locally grown lemon myrtle is a leading flavour in the gin, along with Tasmanian pepper berry and hand peeled Australian oranges.

After distillation, Ink is infused with butterfly pea flower petals, a beautiful blue flower that has been used traditionally in herbal tisanes. The flower adds a subtle astringency to the palate, and imparts a beautiful blue floral ink to the gin. This pH sensitive floral ink morphs to pink when mixed with acidity, making naturally pink G&Ts and cocktails, and blue martinis.

Bespoke cocktails by Ink Gin are the perfect addition to your wedding.

Native Ink Gin Elderflower Cooler

- Mint
- Soda Water

We can also help you to create a tailored His & Hers cocktail. If you have a favourite already, we offer an exclusive wedding package of 20% off RRP for a case (6 bottles) of Ink Gin. Ink Gin retails at \$80 a bottle. Note: Some fresh garnish are only available for local delivery. Less or non-perishable substitutes are available.

POSTAGE: Australia-wide we can deliver direct to your door, or to your caterers for \$15/kit or case. Some regional areas are excluded, and postage will be calculated on request.

Wedding Favours

We also offer miniature bottles of Ink Gin as unique wedding favours or bridal party gifts. Labelled by hand and bottled in thick bottom glass 50ml bottles, these gifts look as beautiful as perfume bottles - but they're filled with a small batch craft gin! As of July these bottles will each come with a gift box.
